

# Club International Ticket Contact

What you can do for your club:

- Devise an impartial system to ensure ticket distribution is done fairly to all members
- Keep accurate records of who has received tickets, when and to which match
- Make sure, over time, everyone who wants to attend has the chance to do so
- Liaise with the Volunteer Coordinator over tickets used for volunteer recognition

The role

Working with the General Committee, you will:

- Register your up-to-date contact details on RFU Game Management system so that you receive notifications about your club allocation from the RFU Ticket Office
- Apply to the RFU for your allocation of international tickets
- Ensure they are distributed fairly amongst the membership

Ideally you'll need to be:

- Fair and impartial
- Well-organised
- Familiar with most of the club membership
- Approachable and good with people

What you'll get out of it:

As International Ticket Contact, it goes without saying you'll be the most popular person at the club. As well as unparalleled popularity, you'll get to spread the enjoyment and inspiration of watching the game at the highest level. It's a great way of networking and meeting new people in the world of rugby.

How much time it will take up:

This depends on how big the club is and the allocation of tickets - around 3-5 hours per international match.
